

First Tech Warrior Branch College Scholarship

At First Tech, we realize rising college costs can be a barrier for some individuals in the pursuit of their educational goals. To help out, we're offering a special \$500 scholarship to one Oakridge High School student.

To be eligible, the applicant must:

- Be a First Tech member
 - Be planning to enroll or already be enrolled as a full-time student at an accredited institution for the Fall quarter/semester
 - Have a minimum 3.0 grade point average
- Note: Students without recent high school transcripts and/or an eligible grade point average should please enclose a typewritten letter of qualification with three listed references.

How are scholarships awarded?

The First Tech Warrior Branch College Scholarship is awarded based on scholastic standing (GPA or demonstrated potential in your chosen field/major) and the individual's level of community involvement.

Scoring and Selection

The applicants are scored and selected by the First Tech Scholarship Committee. Applicants are ranked by level of academic achievement (as determined by grade point average or demonstrated potential in a specific field or major), and community involvement. Applicants with the highest ranking for each grading scale will be awarded the scholarship from each of the student classifications (high school senior, returning college student). Two ranked alternates, one of each scale, shall also be designated in the event that a recipient is unable to accept the award.

Amount of Scholarship

The amount of the scholarship is \$500. The funds will be deposited into the First Tech account of the recipient.
